

Gene Colin
Sales Manager Midwest Region, and Co-Founder

Mr. Gene Colin has been involved with the development and marketing of medium to heavy-duty gaseous-fueled engines, performing specifically on CNG/LNG, as a replacement for their dirty diesel engine counterparts, since 1996 and currently serves as Sales Manager for the Midwest Region for Emission Solutions, Inc. Prior to his interest in this technology, Mr. Colin spent 30 years in sales and marketing as owner of the Gene Colin Agency, LLC, an insurance agency, that represented several companies, such as, Allstate Insurance Company, Allstate Life Insurance Company, Lincoln Benefit Life Insurance Company, Titan Insurance Company, and others. During this time in the insurance industry, he received numerous awards for outstanding sales achievements, such as the Prestigious Presidents Club, Allstate National Conference of Champions, and 15 years as an Allstate Honor Ring member. Before his retirement in April of 2000, Mr. Colin was a member of the board of directors of (NAPAA) National Association of Professional Allstate Agents. After his education, Mr. Colin spent six years in the United States Army National Guard, while working as a commercial airline pilot.
